

PERSONAL EVANGELISM OUTREACH

This is your personal opportunity to participate and be involved in the
2nd Annual Greater Orlando Christian Film Festival
Thursday, October 16 through Thursday, October 23
Regal Cinemas Winter Park Village 20

Please take a moment and look around – Your mission field begins right where you live. It is amongst your own family. It's within your circle of friends, throughout the neighborhood which you live in and surrounds you wherever you work.

Next, we need you to . . . list the names of individuals on the lines below who need Jesus Christ . . . HIS help, HIS guidance, HIS love, HIS forgiveness, HIS SALVATION. PRAY for them, then INVITE and bring them with you to one of the shows where they will hear the “**life changing**” message of Jesus Christ. A live invitation is given at the end of every show providing an opportunity for those you have brought with you, to surrender their lives to Jesus Christ. Right before your eyes you will see the miracle of “new birth” as hundreds make commitments to follow HIM!
